Homebuyer Education: A First Step to Homeownership

63 households educated online -2016
88 households educated in person -2016
2,575 households educated—since 1994

"We are very grateful for your program. We wouldn't have been able to own the home we wanted without it. You helped us put in a new driveway, sidewalks, egress windows, and made the deck safer. Those are things that would have probably taken us years to accomplish without your help. Thank you NeighborWorks Northeast Nebraska!"

- new homeowners

"Great class! I think anyone buying a home should take the class."
- homebuyer

"The class gave me more confidence in my home buying experience."
- homebuyer
