

Year in Review

2017

2 new homes built 34 homes rehabbed

8 communities served
37 families became homeowners

\$48,800 average household income

\$769,490 provided in Down Payment Assistance \$1,818,660 added to real estate value

"I was finding every house that fit my needs was over my loan approval amount.

Housing within my affordability needed too much work. Without this program,

buying a home wasn't seeming possible."

- new homeowner

"The staff is amazing.
They go above and beyond."
- new homeowner
